28	GX-B1310/21-7-24075	2024. 10. 9	符合标准要求。	 A photograph showing a worker in a red uniform and helmet operating industrial machinery. The worker is positioned on the left side of the frame, facing right, and appears to be adjusting or operating a large, blue, cylindrical component of the machinery. The background is a dimly lit industrial setting with various pipes and structures. A timestamp '2024. 9. 26' is visible in the bottom right corner of the image.
